

Description

JSL-SV2 Villa Outdoor Station is a stylish outdoor video doorbell designed for villas and premium residences. Featuring a high-definition camera, touch-sensitive call button, and durable construction, it enables secure video intercom and remote access control. Its sleek, modern look complements any exterior while delivering reliable performance in diverse weather conditions.

Main Feature

- HD Camera: Provides clear video of visitors for enhanced security
- Capacitive Touch Call Button: Elegant and responsive button with illuminated ring for easy operation
- Two-Way Audio Communication: Supports clear intercom with indoor monitors or mobile apps
- Weather-Resistant Design: Robust housing to withstand outdoor environments
- Night Vision: Integrated infrared LEDs ensure visibility in low-light conditions
